

Welcome

On behalf of the entire production crew, we would like to formally welcome you to the *Green and White Revue 2008!* As a courtesy to those around you and the performers, we kindly ask that you read and abide by the following:

Things that go beep in the night, including cellular phones, audio beepers, and the alarm on your watch should be turned off or to vibrate prior to the show. Your neighbors will be grateful!

As a courtesy to the performers, flash photography is not permitted throughout the duration of the show. Rebroadcast, distribution, or duplication of this production, in part or in its entirety without the written consent of the Westlake High School PTSA is prohibited.

Smoking is prohibited on the property.

Restrooms are located on the north end of the lobby. Please be courteous and only leave and reenter between acts.

In the case of an emergency, please use the exit nearest your seat indicated by a lighted exit sign. This is your shortest route out of the theatre.

Food and beverages of any kind are not permitted within the theatre and should be kept in the lobby.

In the interest of all guests, latecomers and any persons leaving the auditorium will not be seated until a suitable break in the performance. The management accepts no responsibility for the inconvenience and can make no adjustment on account of it.

When children become restless, parents are urged to bring them out to the main lobby. Those around you will appreciate it.

Due to the large viewing area of the Green and White Revue, the audio portion of the show is most intense nearest to the main stage. If you are hearing sensitive, you may wish to choose a viewing area further from the main stage.

The effects utilized in tonight's show have met rigid safety standards and pose no harm to our guests.

Due to the nature of this show and control systems associated with it, possession and usage of portable laser pointer devices is strictly prohibited.

To accommodate all of our guests, we ask that you move towards the center of your row, filling in all empty seats between you and the person next to you.

Please help us remain a clean facility by not leaving anything behind when you leave.

Should you need any further assistance, contact your nearest usher.

We thank you for your courtesy and cooperation, and we hope you enjoy the

Green and White Revue 2008

of your
favorite performers

A Word from the

Westlake High School PSTA President...

Dear Westlake High School families and friends,

On behalf of the Executive Board of the Westlake High School Parent Teacher Student Association (WHS PTSA), I would like to welcome you to our 23rd annual Green and White Revue!

This fundraiser serves as the major fundraiser for the WHS PTSA, providing the funding for annual programs that support our students at Westlake High School.

It is a genuine collaboration of parents, students, teachers and staff. We extend sincere gratitude for their gifts of time and talent.

We are proud to include elementary, intermediate, middle and high school students in the show. We hope you will enjoy not only the special talents of our student performers, but also the technological offerings by the crew between acts.

Thank you for coming and get ready for an outstanding show!

Sincerely,

Catherine Bailey

WHS PTSA President

Green & White REVUE 2008

Dr. Madeline Levine
Child psychologist, parenting expert and author of "The Price of Privilege"

Dr. Levine answers parents' questions on why today's affluent teens are experiencing epidemic rates of depression, anxiety disorders and substance abuse rates higher than any other socioeconomic group of young people in this country.

Backed by cutting edge research, 25 years experience as an educator, school consultant and practicing clinical psychologist, Levine delivers thoughtful, practical advice to parents on how to help their kids navigate a world of materialism, pressure to achieve, perfectionism, disconnection and a culture of affluence.
